**Statement**

Serving the KCITE membership as Vice President this past year has been a wonderful experience. I look forward to continuing on the Board of Directors serving as President of KCITE. If elected, I will work to continue the high standard of programming that has been presented to the membership, work with other chapters within the MoVITE district to share ideas on how to improve our chapter, and continue to develop relationships with our local student chapters. I appreciate your support, and look forward to serving as President of KCITE for 2009.
