MEET US IN KANSAS CITY

Meet us in Kansas City - where everything is up to date! As the largest city in the state of Missouri, Kansas City has continued to reinvent itself over the years. Currently, the city is experiencing over \$9 billion of redevelopment in the downtown area despite the recession. You will be staying in the heart of all this action. Whether you are looking for art galleries in the Crossroads, entertainment in the new \$850 million Power and Light District, reflections on the Great War at the nation’s only WWI memorial and museum, or one of the nation’s premier shopping districts in the Country Club Plaza, you will find it all in Kansas City.

The Power and Light District’s first phase is complete and you will have the chance to explore many entertainment options. Just two blocks away from Crowne Plaza, the \$850 million entertainment district - the largest new development project in the Midwest - has reenergized downtown; creating an entertainment, retail, and dining hot spot for visitors and conventioners.

The KCITE Local Arrangements Committee has prepared an outstanding technical program for the conference. Presentations will cover topics such as Operations, Planning, Safety, and Multi-Modal Transportation. And as an added bonus, KC Scout has teamed with MOVITE this year and will hold their annual ITS Symposium on Thursday afternoon. If ITS is your interest, this session will be open to all MOVITE attendees. The Wednesday training this year will be on the Highway Safety Manual.

A MOVITE conference wouldn’t be complete without plenty of entertainment. The 5th annual KCITE golf tournament will be held on Wednesday. Thursday night’s social event will be held at the College Basketball Experience, a premier exhibit and new facility located a few blocks from the hotel and in the middle of the downtown redevelopment.

MEET US IN KANSAS CITY

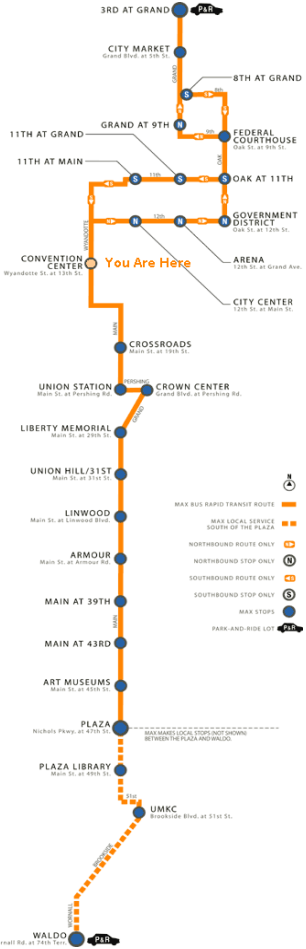

Kansas City is often touted as having almost as many boulevards as Paris and fountains as Rome. Whether you are planning a trip to Kansas City for the conference, live in the area and will be commuting, or want to plan a mini-vacation for the family, there is plenty to do for everyone. If you haven't been to Kansas City lately we hope you are pleasantly surprised by all of the things to do. If you are from the area, we hope to introduce you to something new! And if family members are attending the conference with you, we can provide you additional information on local attractions. Lucky for you, there is enough to do within walking distance or a bus ride away that you will not have to go far to keep yourself entertained.

Just down the street from the Crowne Plaza Hotel, located in the heart of downtown, is the newly constructed Power & Light District, Sprint Center, and the National College Basketball Experience. Next door to your hotel is Kansas City's Municipal Auditorium, which has hosted more NCAA Final Four Championships than any other venue in the country. Barney Allis Plaza is conveniently located across the street from the hotel. At your door step is the MAX bus line, which can take you to other regional destinations such as the Nelson Atkins Museum of Art, Crown Center, and the Country Club Plaza.

Getting Around the City

Driving to Kansas City? We hope you will consider carpooling! Once you get to the conference everything is within walking distance. If you are flying to Kansas City, shuttle service to/from the hotel is available, see the "transportation" section of this packet for additional information. If you live within the Kansas City metro area we encourage you to consider carpooling with co-workers or riding the Metro Area Express (MAX). The MAX bus line is located directly in front of the hotel, providing conference attendees with a safe, inexpensive way to tour Kansas City. With the MAX just outside your doorstep you will find easy access to some of the metro area's hottest destinations. The Plaza, Brookside, Nelson Atkins Museum of Art, WWI Museum, Kemper Museum of Art, Crown Center, and the River Market are only a few steps away.

Parking is available at the hotel or at the Barney Allis Plaza for a small fee.
